

### Check List

Please make sure you have completed the following to prepare for the trip; failure to do so will forfeit your spot.

▪ **Paperwork**

1. Permission/medical form turned in by **01/31/24**. This is a hard deadline; spots for this field trip are first come, first served.
2. There is **no cost** for this field trip. Transportation, lunch, and registration are included.

▪ **Clothing & ID - Mandatory**

Wear your collared Magnet polo shirt, closed-toed shoes, long pants and SPHS student ID! Students without their SPHS ID and/or proper attire will not be allowed on the trip.

▪ **Food & Drink**

Lunch and snacks will be provided.

### LEARN

Attend breakout sessions with environmental experts and your peers. Find out about the latest green technology and trends.

### NETWORK

Meet community partners, connect with organizations and like-minded students from across the county.

### GET INVOLVED

Help forecast for the future of green technology and advocate for policy change.

## Come Prepared for a Day of Learning and Fun!

### DESTINATION

BCPS Youth Climate Summit @  
Pompano Beach High School  
600 NE 13<sup>th</sup> Avenue  
Pompano Beach, FL 33060

## "BCPS Youth Climate Summit"

*Site Visits are not optional; Required part of Magnet Curriculum*

The Youth Climate Summit provides a platform for BCPS students in grades 5-12 to advocate for policy change and gives students a voice for promoting environmental sustainability.

Students will attend breakout sessions with environmental experts, network with our community partners, and share their "forecast for the future" of green technology.

Be prepared for the trip. **Students must make sure they arrive to school on time and promptly report to the Magnet amphitheater at the start of first hour (DO NOT go to the classroom).** The buses will leave promptly at the start of first hour and will return to school in time for students to ride the bus home.

Students need to dress for the occasion. We are representing SPHS Environmental Science Magnet Program. Teal Magnet polo shirts and appropriate attire are a must!

Valuables are discouraged as bags and backpacks will be stored on the bus for the duration of the trip.

**SBBC conduct rules apply.**

IMPORTANT: Students must follow guidelines regarding clothing and ID, or they will not be allowed on the bus and will be unable to participate in the trip.

If a trip is cancelled, students will follow their regular class schedule.

Field trips are an integral part of the curriculum and students will apply and use field investigation skills throughout the year. Any student who does not attend the trip will be required to complete the alternative assignment to receive academic credit.

*For our future*
